

Rated best selling tool by every Homeowner who has used it.

You can get your house it s'own web page on
American Home Info Dot Com.
Put the simple web page address in all your advertising
and let the web site sell your house for you.

American Home Info Dot Com is so simple to use, you can have your children
put the information on the web pages for you. It s`a fill in the blocks, one click operation.

I know what your saying. I already have my house in the newspaper and that s`all I need.
Yes, indeed, if you are one of the few For Sale By Owners in American who still think all
you need to do is the **3 Ps of Marketing*, then you are correct. Remember though that 82%
of all For Sale By Owners turned the sale of their home over to a Realtor® in 2003.
However, if you are the kind of person who wants to sell your house as fast as possible, then
this is the site to help you do it. You have to get your house all the exposure you can and
American Home Info Dot Com helps you do just that.

Go to www.americanhomeinfo.com today and see what all
the fuss is about. Sell your house faster and easier than ever before.

DO IT TODAY!

- *The 3 Ps of Marketing are:
- (1) Put a sign in the yard,
 - (2) Put the house in the newspaper, and
 - (3) Pray that someone buys it.

Go to www.americanhomeinfo.com and get
your house sold!
